

Manual Pengguna – MyGDI Login.

Langkah-langkah	Gambarajah
<ol style="list-style-type: none"><li data-bbox="235 305 682 332">1. http://www.mygeoportal.gov.my<li data-bbox="235 375 693 440">2. Ruangan E-Services – klik ‘More E-Services’	 <p>The screenshot shows the Malaysia Geoportal website in an Internet Explorer browser. The address bar shows the URL http://www.mygeoportal.gov.my/. A callout box labeled '1' points to the address bar. The website header includes the logo and the text 'Malaysia Geoportal Serving Your Geospatial Information Needs. Official Portal for Malaysia Geospatial Data Infrastructure (MyGDI)'. A navigation menu contains links for Home, MaCGDI, MyGDI, Product & Services, News & Events, Resources, Gallery, and Links. The main content area features a search bar, announcements, and a 'Useful Info' section. A prominent banner for 'MyGDI Explorer' reads 'Discover geospatial information through our MyGDI Metadata Catalogue'. Below this, there is an 'E-Services' section with a list of services: MyGDI Metadata Catalogue (MyGDI Explorer), Download Module, Feature and Attribute Codes Search Engine (MS 1759), Geographical Name & Web Gazetteer Search Engine (MyGeoName), Malaysian Land Integrated Information Services (MyLIS), and Code and Name of Land Administrative Boundary Search Engine (LUB). A callout box labeled '2' points to the 'More E-Services' link at the bottom of the E-Services list.</p>

3. Klik 'MyGDI Login' pada ruangan Internal E-Services (Internal Use Only).

The screenshot shows the Malaysia Geoportal website in a Windows Internet Explorer browser. The page title is 'More E-Services | Malaysia Geoportal'. The main header features the Malaysia Geoportal logo and the tagline 'Official Portal for Malaysia Geospatial Data Infrastructure (MyGDI)'. Below the header is a navigation menu with links for Home, MyGDI, Product & Services, News & Events, Resources, Gallery, and Links. The main content area is titled 'More E-Services' and is divided into two sections: 'External E-Services' and 'Internal E-Services (Internal Use Only)'. The 'Internal E-Services' section contains a list of links, with 'MyGDI Login' highlighted by a white arrow and the number 3. Other links in the 'Internal E-Services' section include HRIMS, NRE-Netspace, Asset Management System, Complaints and Idea in Action, Transport Booking System, Map Viewer, Dataset Inventory System, Training Log System, Outstation Module, MyGDI Stakeholder Directory, and Email Service.

4. Ruang untuk Login

The screenshot shows a web browser window displaying the 'MyGDI Login' page. The page header includes the Malaysia Geportal logo and navigation links. The main content area features a login form with fields for 'Username' and 'Password', a 'Remember Me' checkbox, and a 'Login' button. A white arrow with the number '4' points to the 'Login' button. Below the login form, there are statistics for the current day and a 'Last Updated' timestamp. The footer contains legal disclaimers and contact information for the Malaysian Centre for Geospatial Data Infrastructure (MaCGDI).
